

Did you know...

- The Secure Destruction bin has a deep blue lid and is in line with Australian Standard colours. All educational material associated with the Secure Destruction bin is also blue, making it easy to identify.
- This is how we process secure destruction

Thank you for using your Secure Destruction bin correctly. You are part of the solution in diverting waste from landfill and recovering valuable resources which can be turned into new products for us to enjoy again. Veolia thanks you for your commitment to sustainability and protecting our environment. If you need any further assistance, please contact us

cx.service@veolia.com.au

Understanding your Secure Destruction Bin

What can go in your Secure Destruction Bin

Paper containing sensitive /
confidential information

What cannot go in your Secure Destruction Bin

Cardboard

Merchandise

Folders

Plastic bags

All secure documents are finely shredded prior to disposal to ensure the highest level of confidentiality.

The secure destruction bin is for the disposal of confidential documents only. Contact Veolia to arrange secure destruction of any sensitive material that is not paper
