Theme: Connecting People to Nature

Each **World Environment Day** is organized around a theme that focuses attention on a particularly pressing environmental concern. The theme for 2017, 'Connecting People to Nature', urges us to get outdoors and into nature, to appreciate its beauty and to think about how we are part of nature and how intimately we depend on it. It challenges us to find fun and exciting ways to experience and cherish this vital relationship.

Billions of rural people around the world spend every working day 'connected to nature' and appreciate full well their dependence on natural water supplies and how nature provides their livelihoods in the form of fertile soil. They are among the first to suffer when ecosystems are threatened, whether by pollution, climate change or over-exploitation.

Nature's gifts are often hard to value in monetary terms. Like clean air, they are often taken for granted, at least until they become scarce. However, economists are developing ways to measure the multi-trillion-dollar worth of many so-called 'ecosystem services', from insects pollinating fruit trees to the leisure, health and spiritual benefits of a hike up a valley.

Veolia Tool Kit

The Veolia Tool Kit for World Environment Day is to raise awareness on the environment and biodiversity protection!

The idea is an Interactive Roadshow/Workshop Format with different people at each station to present the subject:

- Each has a station and presents the different facts, devices and challenges
- Teams walk around the stations and speak to each of the stations

Station 1

- Veolia & the Environment

Station 2

- Protected areas in the region

Station 3

- Game - Animal per nationality

Station 4

- How can you help ?

Station 1: Veolia & the Environment

1

SUSTAINABLY MANAGE NATURAL RESOURCES BY SUPPORTING CIRCULAR ECONOMY

2020 target

Achieve €3.8 billion
in circular economy
related revenue

2016 performance

€3.5 billion

2

CONTRIBUTE TO COMBATING CLIMATE CHANGE

2020 target

Achieve 100 million metric
tons CO₂ equivalent of
reduced emissions and
50 million metric tons CO₂
equivalent of avoided
emissions for the period
spanning from 2015 to 2020

2016 performance

29.4 million metric tons
CO₂ equivalent reduced
since 2015

12.4 million metric tons
CO₂ equivalent avoided
since 2015

2020 target

Capture over 60% of
methane from the landfills
we operate

2016 performance

53%

3

PROMOTE AN ECO-FRIENDLY APPROACH TO CONSERVE BIODIVERSITY

2020 target

Carry out a diagnosis
and deploy an action
plan in 100% of sites with
significant biodiversity issues

2016 performance

40%

Station 2: Protected areas in the region

protected
planet

There are about 1500 protected areas in the 22 countries of the region (Middle East & North Africa), but only five countries have protected more than 10% of their land. As for marine, with the exception of Jordan, no country has reached the 10% target, with most countries still below 1%.

Station 3: Game - Animal per nationality

Veolia Nationalities with Nature

Veolia Middle East has an amazing 59 countries represented by its employees.

To connect our People to Nature, we have taken a native animal from each country.....

Can you match them to their country?

Remember animals don't keep to country borders so they might be in more than one of the countries

Europe

Eurasian Wolf

Corsican Hare

Red Squirrel

France

Germany

UK

Belgium

Portugal

Italy

Spiny Dogfish

Iberian Wolf

Golden Eagle

Europe & South America

Dolphin

Wolf

European Bison, White Stork and Bielik Eagle

Serbia

Hungary

Romania

Poland

Spain

Brazil

Greece

Turul (Mythological Creature)

Bull

Lynx

Balloon Fish

Asia

Saltwater Crocodile

Royal Bengal Tiger

Komodo Dragon

Dhole

Sri Lanka

Myanmar

Indonesia

India

Pakistan

Philippines

Bangladesh

Nepal

Manta Ray

Royal Bengal Tiger

Markhor

Carabao

Africa

Cross River Gorilla

White Eared Kob

Oribi

African Elephant

Ethiopia

Cameroon

Uganda

Namibia

Rwanda

South Africa

Kenya

Sudan

Colobus Monkey

Black Mamba

Chimpanzee

Simien Fox

Africa

Black Rhino (Tanzania)

Leopard (Zimbabwe)

Thistle Mantis (Egypt)

Morocco

Egypt

Nigeria

Zimbabwe

Tanzania

Ghana

Eritrea

Bull Shark (Morocco)

Savannah Monitor (Eritrea)

African Helmeted Turtle
(Ghana)

Cheetah (Nigeria)

Africa

Giraffe

Tunisia

Comoros

Black-spined Flying Fox

Mauritius

Mandrill

Somalia

Hooded Vulture

Chad

Monogoose Lemur

Middle East

Finless Porpoise

Arabian Onyx

Arabian Leopard

Blind Mole Rat

Bahrain

Palestine

Yemen

Syria

Lebanon

Saudi

UAE

Pelican

Veiled Chameleon

Striped Hyena

Middle East

Goblin Shark

Mahi Mahi

Uzbekistan

Iraq

Jordan

Oman

Iran

Snow Leopard

Grey Wolf

Persian Leopard

North America & Pacific

Grizzly Bear

Corn Snake

Kangaroo

Banded Iguana

Australia

Fiji

USA

Canada

Answers: Europe & South America

Eurasian Wolf (France)

Corsican Hare (Italy)

Red Squirrel (UK)

Spiny Dogfish (Belgium)

Iberian Wolf (Portugal)

Golden Eagle (Germany)

ANSWERS to the Game

Answers: Asia

Saltwater Crocodile (Sri Lanka)

Royal Bengal Tiger (Bangladesh)

Komodo Dragon (Indonesia)

Dhole (Nepal)

Manta Ray (Myanmar)

Royal Bengal Tiger (India)

Markhor (Pakistan)

Carabao (Philippines)

Answers: Europe & South America

Dolphin (Greece)

Wolf (Serbia)

European Bison, White Stork and Bielik Eagle (Poland)

Turul (Mythological Creature, Hungary)

Bull (Spain)

Lynx (Romania)

Balloon Fish(Brazil)

Answers: Africa

Cross River Gorilla
(Cameroon)

White Eared Kob (Sudan)

Oryx (Namibia)

African Elephant (Kenya)

Colobus Monkey (Rwanda)

Black Mamba (South Africa)

Chimpanzee (Uganda)

Simien Fox (Ethiopia)

Answers: Africa

Black Rhino (Tanzania)

Leopard (Zimbabwe)

Mandrill (Tunisia)

Thistle Mantis (Egypt)

Bull Shark (Morocco)

Savannah Monitor (Eritrea)

African Helmeted Turtle
(Ghana)

Cheetah (Nigeria)

Answers: Africa

Giraffe (Somalia)

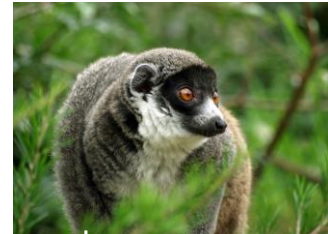

Mandrill (Tunisia)

Hooded Vulture (Chad)

Black-spined flying fox
(Mauritius)

Monogoose Lemur
(Comoros)

Answers: Middle East

Bahrain

Finless Porpoise

UAE

Arabian Onyx

Saudi

Arabian Leopard

Palestine

Blind Mole Rat

Station 4: How can we help ?

Recycle & Reuse as much as you can!

Minimize use of Herbicides and Pesticides

Don't litter! Bin it!

Choose biogradable or biosafe products!

Slow down on the roads

Avoid illegal animal trade items!

Buy from sustainable food sources
