

Innovating for a **sustainable world** and win a trip

Register before
July 31

Since 1998 Veolia has been awarding its Trophées Performance to the most innovative work done by final-year students in higher education.

Resourcing the world

> Who can enter for the Trophées Performance?

Final year students graduating from universities, engineering or business schools can present their thesis to a jury of professionals.

The topic of the dissertation must be related to the Group's businesses (waste, water and energy management) or be relevant to any of the departments of a major corporation (procurement, communication, finance, IT, engineering, legal, quality, marketing, human resources, strategy, sustainable development, etc.).

> What are the prizes?

The winners selected by the jury will each win:

- > a round-trip to a city bearing on major environmental challenges
- > a travel grant

As part of Veolia's commitment to supporting higher education, the educational institutions to which the winners belong will receive a €4 000 grant.

TIMETABLE

Before July 31

On-line entry

Before August 31

Submission of dissertation

September

Review committee

October / November

Presentations

December

Trophy Award Ceremony
presented by the CEO
