

Paris, 9th August 2022

Saur and Veolia signed a binding agreement for the acquisition by Saur of MWS Europe from Veolia

In accordance with the press release dated May 9th, 2022, and following completion of the consultation process with the employee representative bodies, Saur announces that Veolia has exercised the unilateral put option for the sale of its European Mobile Water Services division (MWS Europe).

Subsequently, Saur and Veolia signed an agreement for the acquisition by Saur of MWS Europe from Veolia for a total consideration of approximately €190 million.

The transaction remains subject to necessary regulatory approvals.

About Saur: As a pure player in water and essential services, Saur works to protect the environment in the heart of the territories it serves. Saur has always acted to offer the same quality of service to small towns as to large cities, guided by its purpose: to restore to water the value it deserves. Saur worldwide presence: Cyprus, Colombia, France, Italia, Netherlands, Poland, Portugal, Saudi Arabia, Scotland, Spain, USA. 2021 key figures: €1.7 billion Group net revenue, 9,500 local authorities and industrial clients contracted, 12,000 employees and 20 million consumers served worldwide. #missionwater www.saur.com

About Veolia

Veolia group aims to be the benchmark company for ecological transformation. With nearly 179,000 employees worldwide, the Group designs and provides game-changing solutions that are both useful and practical for water, waste and energy management. Through its three complementary business activities, Veolia helps to develop access to resources, preserve available resources, and replenish them. In 2021, the Veolia group provided 79 million inhabitants with drinking water and 61 million with sanitation, produced nearly 48 million megawatt hours and recovered 48 million tonnes of waste. Veolia Environnement (Paris Euronext: VIE) achieved consolidated revenue of 28,508 billion euros in 2021. www.veolia.com
